

## Designabug

Microbe name

Charlotte Sneezysnot

Microbe type

Virus

Useful of Harmful

Harmful

Microbe Story

I am a harmful virus and I like to live in your nose. My super sticky grippers help me stick to your nose cells. You don't want me there because I make you sneeze and cough.

Special Features

Lots of sticky grippers all around my body and I'm very small

Strength/Weakness

I need to live in your cells do don't sneeze in a tissue and throw me in the bin – I'll die
